Publisher's note

“Closure operators in topological groups related to von Neumanns kernel” by D. Dikranjan

Prior to the production of this special issue the publisher had inadvertently published this paper, which was meant for this special issue, in a previous issue of Topology and its Applications 153 (11) (2006) 1930–1955, doi:10.1016/j.topol.2005.02.014.

The publisher apologises for this error and for any inconvenience caused.
